

FIRST U.S. TRAINING IN PRENATAL BONDING (BA)

# "The Soul's Cord: A Method for Encountering the Unborn"

A New Strategy from European  
Psychoanalysis for Facilitating  
Both Attachment and Differentiation  
with the Prenate

The Infant-Parent Institute is sponsoring the introduction of a psychoanalytic technique known in Europe as "Bindungs-Analyse", beginning with an introductory training workshop on Saturday and Sunday, March 27-28, 2010, in Urbana, Illinois.

Training will be conducted by Gerhard Schroth, MD, psychiatrist and psychoanalyst from Speyer, Germany.

Registrants are invited from infant and adult psychiatry; the several fields associated with infant mental health; social work; developmental and clinical psychology; family medicine, obstetrics and pediatrics; nursing; midwifery; and those engaged as doulas.
